

2018 PHYSICIAN IMMIGRATION LAW INSTITUTE AND LOBBY DAY

[Click HERE for more information and to REGISTER](#)

December 9-10 2018

The IMG Taskforce biennial conference will be held in Washington D.C. December 9-10 2018. This year the conference will focus on the impact of rapidly changing immigration policies and new legislation as it pertains to physician immigration, as well as networking opportunities and roundtable events. Employers and practitioners working with IMG Physicians will benefit from this exceptional meeting. Click on the link above for more information about the conference program and details.

Please note, hotel blocks for this event traditionally sell out quickly. Information on the hotel rates can be found at the above link.

December 11 2018

After the conference, the IMG Taskforce will conduct its annual legislative advocacy day on Capitol Hill. Please join us in speaking with legislators about how current DHS immigration policies harm U.S. healthcare and how immigration legislation can improve healthcare access. Training on key points and Lobby Materials will be provided!
